## DAY 1 • 2 • 3 • 4 • 5 • 6

Immerse yourself in a journey tied to unique African wildlife, nature, farm fresh food and the peaceful sounds of the Mara River. Take this unique opportunity to disconnect. So many destinations now offer WiFi access, but you're shortchanging yourself on an opportunity to genuinely connect to somewhere beautiful when you stay online with the "real" world. Embrace the solitude of the African bush.

## DAY 7

Set in our own conservation area that no one has access to but us, we have built a little tree house above a lively salt lick on the Mara River. A fantastic position to perch and watch the world go by, by night nothing but branches between you and the stars. Walking this wild space, you will feel the opening of your senses, sharpening in response to the immediacy of the wilderness: vision, sound, smell all respond to the challenge of perceiving and reading the primordial signals of the bush. Your local Masai guides will teach you to see the landscape through their eyes, and immeasurably enhance the richness of the way you experience it. Enjoy the active participation of engaging with your surrounds, and cultivate a fuller appreciation of the myriad intricacies that make up the magic of the bush.
