DAY 1 • 2 • 3

Ngare Serian is cosy, relaxed and the perfect base to start your safari: set along a riverbank teeming with laughing languorous hippo, the game is never far away. Explore in one of our safari vehicles, or take a walk on the wild side and head out on foot – both will bring different levels and layers to your experience... And top it off with a nocturnal adventure: take a bush dinner and red-filter spotlights and discover what the wilderness has to offer by way of nightlife.

DAY 4

Set in our own conservation area that no one has access to but us, we have built a little tree house above a lively salt lick on the Mara River. A fantastic position to perch and watch the world go by, by night nothing but branches between you and the stars. Walking this wild space, you will feel the opening of your senses, sharpening in response to the immediacy of the wilderness: vision, sound, smell all respond to the challenge of perceiving and reading the primordial signals of the bush.

DAY 5 • 6 • 7

Ngare is nestled in the private Mara North Conservancy, and is also perfectly positioned to take advantage of our 1,500 acres of exclusive conservation area. Yes – 1,500 acres of wilderness that belongs just to us, and is all yours to roam and explore... If you ever dreamed of your own slice of Africa – this is it.
