DAY 1 • 2 • 3 • 4 • 5

The open plains of the Lamai Wedge are incredibly beautiful and abundant in game. The landscape is reminiscent of scenes from *Out of Africa*, and there is plenty of freedom to roam and explore. The camp is situated opposite Crossing Point 4, midway among all crossing points along the river – and is perfectly positioned to spectate the wildebeest river crossings. Away from the river, this area of rolling savannah, boulder-strewn hillsides and fig-tree groves, is littered with inconceivably enormous herds of wildebeest, topi and zebra as well as all the predators that gorge on this movable feast.

DAY 6 • 7 • 8 • 9 • 10

Leaving the Mara River behind, our Serengeti South camp takes you to the extreme tip of the savannah. Set on the edge of the short-grass plains that host the million-strong wildebeest birthing season, it's hard to imagine a more stunning location to wrap up your adventure. Dramatic storms sweep in new life, and babies and attendant predators are everywhere. Flora bursts forth, fields of wildflowers bloom, and the striking contrast of red Masai against the emerald background makes for a perfect palette. Part of the beauty of this spot is the Masai way of life in its most natural state – and the other part is the opportunity to explore on foot: stretch your legs and open your senses to immersion in this wild space, as our local guides show you to see through their eyes.
