## 4 NIGHTS ADVENTURE FLY-CAMPING

On foot you will feel the opening of your senses, sharpening in response to the immediacy of the wilderness.

Alex spent his childhood exploring the East African bush on foot with his father's trackers, and he has been guiding and outfitting safaris for over 25 years. This unique blend of a lifetime's experience and passion has manifested in his charismatic camps and an enduring love for walking safaris, and his intimate familiarity with the Serengeti means you are in the best possible hands to have the secrets of this beautiful piece of the world laid open to you.

Combining our Serian's Serengeti Lamai camp with nights out adventure fly camping yields all the magic of our spectacular location, and gives a glimpse into the wild heart of safari as well as the simple luxuries of all your creature comforts.

## DAY 1 • 2 • 3

The open plains of the Lamai Wedge are incredibly beautiful and abundant in game. The landscape is reminiscent of scenes from Out of Africa, and there is plenty of freedom to roam and explore. The camp is situated opposite Crossing Point 4, midway among all crossing points along the river – and is perfectly positioned to spectate the wildebeest river crossings. Away from the river, this area of rolling savannah, boulder-strewn hillsides and fig-tree groves, is littered with inconceivably enormous herds of wildebeest, topi and zebra as well as all the predators that gorge on this movable feast.

## DAY 4 • 5 • 6

On foot you will feel the opening of your senses, sharpening in response to the immediacy of the wilderness: vision, sound, smell all respond to the challenge of perceiving and reading the primordial signals of the bush. Alex, in company of traditionally attired and armed Hadzabe guides, will teach you to see the landscape through their eyes, and immeasurably enhance the richness of the way you experience it. Drink in the active participation of engaging with your surrounds, and cultivate a fuller appreciation of the myriad intricacies that make up the magic of the bush. By night, take adventure back to its roots with fireside meals and bedrolls under the stars, and relish the stripped-back simplicity that is the beauty of flycamping.

## DAY 7 • 8

Return to the relative lap of luxury of the main camp, and kick back with a well-earned G&T. Round off your experience with a game drive or two perhaps to see some cheetah or wild dog, or simply relax and let it all sink in.
